[My Portfolio](#)

Digital Marketing Specialist & Graphic Designer with nine years of experience blending strategy, storytelling, and design to build brands that stand out. I create high-impact marketing campaigns, promotional assets, pitch decks, case studies, and executive summaries that transform ideas into polished, engaging experiences. Skilled in content creation, email marketing, B2B strategy, and social media management, I combine creative vision with data-driven insight to produce work that looks exceptional and performs.

EXPERIENCE

● FREELANCE GRAPHIC DESIGNER 2020 - Present

- Designed case studies, executive summaries, and PowerPoint presentations for Versa Marketing and Answeron, transforming client-provided content into polished, brand-aligned marketing materials.
- Created ad graphics and menu designs for Pepper's Grill, elevating visual presentation across print and digital platforms.
- Developed logo design, investor pitch decks, and executive summaries for NYX.AI, establishing foundational brand visuals and professional stakeholder materials.

● DIGITAL MEDIA Cerus Fitness 2017 - Present

- Plan, design ad graphics, write ad copy, implement, and monitor marketing campaigns to drive brand awareness and increase customer engagement.
- Manage CRM with automated lead tracking, follow-ups, and content campaigns (blogs & emails) to drive engagement, sales, and retention.
- Launch and manage targeted advertising campaigns using Facebook Ads Manager to maximize ROI.
- Manage and grow social media accounts across multiple platforms, increasing audience engagement and brand visibility.
- Develop B2B marketing materials, including sponsorship decks and co-branded promotional graphics, to support partnerships and collaboration efforts.
- Create and edit high-quality videos and graphics for advertisements, social media, and digital marketing campaigns.
- Capture photography and video at events and in-gym to create engaging marketing materials.
